## **Shipping and Handling**

### **Shipping to Canada and the U.S.A.**

The shipping and handling costs, within Canada and the U.S.A., are included in the purchase price of a Trebor original.

### **Shipping to Europe, Asia, etc.**

For destinations outside of continental North American, we will be pleased to supply a “detailed shipping quote” for any original work of art prior to a purchase. To obtain a shipping quote, call 819-360-6677 or e-mail the title of the painting you wish to purchase and the shipping details to [info@treborart.com](mailto:info@treborart.com). The gallery will do its best to respond to all requests within 24 hours.

### **Additional Shipping Costs**

Generally, your painting includes shipping and we will forward anything that is 30” x 30” or smaller using one of the common carriers. However, larger paintings incur additional costs due to packaging, size and weight. In some cases, we will have the shipping or forwarding company pack the painting into a wood shipping crate or a double-walled carbon container. These last options are expensive, but they guarantee much more protection to your painting. In such cases, we will advise the buyer of any additional cost.
